Background:

I would like to request permission to travel to Washington, D.C. to attend AASA's 2025 Governing Board Meeting July 8 - 10, 2025. Travel will commence on July 7, 2025.

AASA, The School Superintendents Association, is the premier association for school system leaders and serves as the national voice for public education and district leadership on Capitol Hill. Its practicing superintendents and other school system leaders establish and oversee AASA's goals. AASA's governance structure engages the considerable talents of its diverse, dynamic membership. This structure assures that AASA is truly a national organization with an agenda that reflects the viewpoints of school administrators throughout the country.

Governing Board members have dual responsibilities. They represent their home state on the Governing Board and they report the work of the Governing Board to their home state affiliate. Through the Governing Board elected representatives, members have a voice in AASA decision making.

As a new AASA Governing Board member, all expenses will be paid by AASA. There is no cost to the District.

Recommended Motion:

I move that the Governing Board approve out-of-state travel for Dr. Daniel Streeter, Superintendent, to travel Washington D.C. to attend AASA's 2025 Governing Board Meeting July 8 - 10, 2025.
