The Homedale Way

The start of the school year has been amazing. We are seeing great levels of respect and responsibility among our HMS students. We held an assembly on August 22nd and showed the students videos of their hallway and lunchroom behavior and asked them to rate how they were doing. The students found it entertaining and had some learning. The following Monday we saw an immediate improvement in the areas that we needed to improve on.

Open House

We saw about 70% of our families during our open house.

MAP Testing

We began MAP testing on August 26th and the students have been focused and working hard.
