# Manzanita Mesquite Valley October 2018

Dear Manzanita Families,

The 18/19 School year is off to a fabulous start. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. The staff is dedicated to a growth mindset, and like your student(s), the staff is learning and growing together. As a staff we have made a collective commitment to being purposeful and intentional with our lessons, while focusing on specific learning objectives. The staff is dedicating their professional learning to improving the art and craft of teaching while building learning targets and monitoring data to analyze growth. We are busy teaching and learning every day from the first bell to the last. We recognize that in order to be successful, our children need support from both the home and school; a strong partnership with you will make a great difference in your child's educational journey. As partners, we share the responsibility for individual students. Together, as a team, we can guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily & arrives on time, ready for the day's learning experience
- 2) Completes all class and homework assignments
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject
- 6) Knows that we expect him/her to be successful
- 7) Grows as a safe, responsible, respectful and kind individual.
