To the governing board of the Mammoth- San Manuel School District:

The San Manuel High School wrestling program has been selected to receive a grant as part of BHP Billiton's Matched Giving Program. The program is established by BHP Billiton to provide a matching incentive for the active involvement of its employees in community organizations by ways of volunteering, fund-raising or cash donation (including payroll giving).

Through the Matched Giving Program, BHP Billiton has donated a check for \$400.00 to the San Manuel High School wrestling team. We would like for you to accept this unsolicited check for the above amount on behalf of our team. We are extremely grateful to the BHP Billiton employees and the BHP Billiton Corporation for their generous contribution.

Thank you.

Sincerely yours in the service of youth,

Manny Yubeta, Head Wrestling Coach
