

Albany Area Schools
Health & Safety Policy
FY 12

Albany Area Schools is committed to providing a safe and healthy environment for students and staff. Therefore,

It is the goal of the Board of Education to take appropriate action to comply with the requirements of regulatory agencies, including the MN Occupational Safety and Health Administration (MN OSHA), the Office of the State Fire Marshal (SFM), the MN Department of Health and others to provide the optimal learning environment for students.

The Board of Education supports staff training to achieve this goal. The Board of Education is responsible to ensure compliance by staff and has approved and implemented a disciplinary process for compliance failures based on recommendations developed by Administration.

Michelle Evenson, Business Manager, is assigned as the designated person for this activity and has approved the hiring of consulting professionals to provide added support to the Health and Safety activity. The Board of Education supports the development and implementation of the following Health and Safety Management Plans:
