

Board Report - January 2017

Lynne Keenan

Child Nutrition Director

December

At the high school we have implemented “The Flavor Station”. The Flavor lab is a fun, self-serve flavor station where the students can customize their meals with Foothill Farms and Mrs. Dash seasonings that add little to no sodium. The Flavor Lab is easy to use. We got the students spicy jalapeno, ranch, chili cheese, nacho, southwest chipotle flavors.

Our lunch last year in December was **\$23,028** this year for the month we had **\$19,135**. Our breakfast last year was **\$14,625** and then this year **\$15,410**. Last year we had **12** days of school vs. **14** days this year. The month claim reimbursement last year was **\$110,414.34**, and this year month of December total was **\$97,989.12**.
