Notes

Due to the increasing rise in copper, aluminum, steel and PVC products Tri-City Electric reserves the right to review and adjust all material pricing on a daily basis. Bid is based on the daily market rate for goods and commodities reflected by the submitted date of this proposal. Tri-City Electric reserves the right to increase said bid accordingly to reflect the market rates on the day of receipt of the Purchase Order. Changes will be shown in documentation through commercial quotes, invoices, and/or receipts for such goods and commodities if applicable. Bid is subject to the terms of a mutually acceptable contract. **Tri-City Electric shall have the option to withdraw this proposal if not accepted within 10 days from its date.** Work is to be performed during a standard 8-hour workday between 7:00 AM and 3:30 PM, Monday through Friday. Payments are due every 30 days as the work progresses. A 1.5% service charge will be applied to all outstanding account balances over 30 days past due.

Please note: As the global COVID-19 sub-variants situation continues; material lead time, material pricing, and manpower scheduling is subject to change in the event of adverse situations caused by pandemic effects. We appreciate your business and will work closely with you to minimize any possible impacts to your project.

Excavation Notes

Proposal is based on normal soil conditions for trenching, auguring and excavation. If TCE encounters rock, debris, old foundations, high water, loose or unstable soil conditions additional charges will be added respectively. All excavation spoils are to remain on site. If included in bid for removal is based on CLEAN, Non-Contaminated soil removal and does not include remediation or special hauling fees, treatment charges and special permits relating to contaminated soils. Owner/General Contractor is responsible for all excavated areas if not specified and included in the scope of work.

Non Solicitation of Employees

By acceptance of this proposal, customer agrees not to directly or indirectly recruit, solicit, hire or induce any employee of Tri City Electric Company or any affiliate thereof, to terminate his or her employment with Tri City Electric Company. This restriction does not apply to solicitation of any employee of Tri City Electric Company or any affiliate thereof, who Tri City Electric Company has terminated due to job elimination or reduction in work force. Contractor agrees that it must obtain written consent of Tri City Electric Company prior to hiring any such Tri City Electric Company employee. The duties, objections and restrictions set forth in this paragraph shall expire upon the first anniversary of the conclusion date of the engagement contemplated in this proposal.

Force Majeure

If the Subcontractor is delayed at any time in the commencement or progress of the Work by diseases, epidemics, pandemics, including but not limited to labor or material shortages, unusual delay in deliveries, restrictions on access or travel, unavoidable casualties or other causes beyond the Subcontractor's control, then the contract times shall be extended. Given the volatility in material and equipment costs, as well as delivery dates, due to issues outside our control or because of unforeseen events, such as national port union strikes, our pricing is based on current market conditions at the time of this proposal. Should our material costs increase or delivery dates change as a result of such disruptions, we reserve the right to adjust the contract price and/or receive an extension of time due to delayed delivery dates accordingly.

Other Terms

TCE is proposing a price for the scope of its work based on the assumption the parties will execute a commercial reasonable subcontract agreement, such as an unmodified Consensus DOC 751, Short Form Agreement between Contractor and Subcontractor, or AIA A401, Standard Form of Agreement between Contractor and Subcontractor.

Tri-City Technologies takes the security of our customers' networks seriously. Customers of our products and services with connections to the internet must understand and agree to regularly update the firmware, perform software patches and updates of such equipment to maintain optimal security. Failure to update firmware and software may expose the equipment to potential security vulnerabilities and increase the risk of unauthorized access. This proposal, unless specifically stated, does not include any labor or services to perform said firmware or software patches and updates. By using our products, you acknowledge and accept responsibility for ensuring that all connected equipment is kept up to date with the latest firmware and software patches provided by the manufacturers. Furthermore, password best practices should be taken into consideration as Tri-City Technologies is not responsible for maintaining or updating passwords. Tri-City Technologies shall not be held liable for any damages, losses, or liabilities arising from security breaches or unauthorized access to connected equipment resulting from the failure to update firmware and software as recommended by the manufacturers. Tri-City Technologies can provide these services under a maintenance contract if desired, please contact your Tri-City Technologies contact to learn more and receive maintenance contract pricing.
