**FOR ACTION:**

**Subject:     FY20 Salary Recommendations**

Attached in your packet this evening are the projections for the salaries for the Administration and Educational Support Staff in the District for FY 2020. It has been typical for the Board to grant the same salary increase to the other employee groups that has been granted to the teachers in their approved collective bargaining agreement. For the 2019-2020 school year, all applicable Administration and Educational Support Staff will receive the 3% increase as indicated in the collective bargaining agreement.

The data will show the changes in base salary for each administrator and educational support staff member. Their individual employment contracts will be included for signature at the October 28<sup>th</sup> meeting.

Recommendation: The Board approve the salary recommendations as presented.
