BE (LOCAL) Notes

As of 4:00 p.m. on Friday, December 06, 2013, the draft policy samples have not been received from TASB. The samples will be placed in the packet later. However, revising BE (LOCAL) will be fairly easy if that is the Board of Trustee's desire. Very few districts have split meeting days. The policy service representative from TASB could only cite one. TASB Legal Services says there are no legal requirements other than the 72-hour posting of the agenda notice. Most school districts have their regular meetings on same day of the month during the entire year.

If the Board of Trustees wishes to revise BE (LOCAL), my only suggestion would be to move the starting time of the meeting from 7:00 p.m. to 6:00 p.m. so that families might be more willing to attend. The meeting day and the time of regular board meetings should be set so that there would be a likelihood that a quorum could be established; therefore, it may be appropriate to revisit this policy from time-to-time as elected trustees change overtime.

Two samples will be attached and presented when received.
