Dear Ms. Penny,

The Mid-Valley Special Education Cooperative Executive Advisory Board has accepted your generous donation of \$1,000 on August 7, 2013. I wish to express our gratitude for your contribution to our organization. Gifts like your enable us to provide equipment (such as a new shredder) at no cost for students to help them succeed and participate in the community, increase their social interactions, and gain in self-confidence and strength. We truly appreciate your thoughtfulness in providing the donation.

Sincerely,

Carla Cumblad, Ed.D.
