Safety Plan Update

Mr. Charles Laney/Mr. Andy Cantrell

Mr. Charles Laney along with Mr. Marty Cook from Pickering Environmental will share information regarding water testing at Tupelo Public Schools.

Andy Cantrell will give an update on our annual safety audit. Mr. Jeff Broaddus of Broaddus and Associates will be conducting the audit during the week of February 5th- 9th. They are planning to use a hybrid model of an audit as well as quality professional development with the Crisis Management Representatives from each campus.
