RE: FY 26 Health/Life Safety Report

Dear Dr Maxwell and Staff:

On behalf of the South Cook Intermediate Service Center—Region 7, I wish to thank you and your staff for your assistance and cordial hospitality during our recent Health/Life Safety visit. The pride taken in maintaining your facilities was well-evidenced. Cheryl Roy and her staff are to be commended on their extraordinary daily efforts.

Attached you will find a copy of the FY 26 South Cook Intermediate Service Center's Health/Life Safety report, which is the follow-up to our exit conference with Mrs. Roy, Eugene Goldsmith, Brad Kratz and Tom Richey. We hope that you will share these findings with your Board of Education, appropriate staff members, and district architect.

The pride in your facilities, the staff care, and the great work you are doing for the students of your community were clearly evident. We hope to provide even more support and assistance in these endeavors. Should you have any suggestions or comments on how we may improve this process, please do not hesitate to contact us.
