

Superintendents Advisory

ANW Special Education Interlocal

March 31, 2026

- Collateral Pool-What is everyone doing with their bank, especially CNB? Does this change anything? We should have received an email with investor ID number, generated by the Kansas Department of Treasury. Banks must register with the Kansas Collateral Pool. All investments can be put under one collateral investment.
- Substitute Language in Board Policy-ANW will rewrite substitute language within our Board Policy. Rewriting the language to match the process that was decided upon by the Districts and ANW.
- KSDE Apprentice Panel @ KSDE Great Idea's Conference: Korenne has been asked to sit in on the Apprentice panel by Joel Gillespie at this conference.
- Apprenticeship Mentors-Assistant Director of Special Education mentors
- Budget: cat aid estimate for this year \$29,600. Next year's estimate is \$28,881. Mentor teacher and PD funds will be reallocated based on some overages that were not used by KSDE.
- Greenbush SLS (Specialized Learning Services) - membership renewals have been received by ANW. ANW will have to reduce services due to significant increases in cost for these services.
