#### **B. Lamar University Superintendent's Academy**

I have concluded the Lamar University Superintendent's Academy which was held from September through April of the current school year. I want to express my appreciation to Trustees who not only allowed me to attend these sessions, but encouraged my attendance. I particularly was proud to be the only superintendent of my cohort that had 100% attendance from all Trustees!

The training was probably the singular most meaningful series of events and training of which I've been a part. I'm grateful to Drs. Bob Thompson and Elvis Atterberry for the opportunity.
