Dear Eugene Schmuck Foundation Board,

On behalf of the Neah-Kah-Nie School District, I would like to extend our heartfelt gratitude for your generous donation supporting our students' participation in Outdoor School. Your commitment to investing in student experiences makes a direct and meaningful difference in the lives of our children.

Outdoor School provides students with opportunities to learn beyond the classroom—exploring nature, building teamwork skills, and developing a deeper understanding of science and the environment. For many of our students, this experience is both unforgettable and transformative. Your contribution ensures that financial barriers do not prevent students from taking part in this vital learning opportunity.

We are grateful for the Foundation's ongoing dedication to education and the well-being of youth in our community. Your support helps us nurture curiosity, confidence, and connection to the natural world for each of our students.

Thank you again for your generosity and partnership. Together, we are helping our students grow and thrive.

With appreciation,

Dr. Tyler Reed  
Superintendent  
Neah-Kah-Nie School District
