

# Save Receipts For Your Child's Education Expenses

If you're buying school supplies for your children in kindergarten through 12th grade, you may qualify for one or both of these tax benefits:

- K-12 Education Subtraction
- K-12 Education Credit

Save your receipts, because both benefits can help lower your taxes and may provide a larger refund when filing your Minnesota income tax return.

Last year, more than 33,000 families received the K-12 Education Credit and saved an average of \$250. Nearly 190,000 families received the K-12 Education Subtraction.

## Common Expenses That Qualify:

- School supplies (pencils, paper, calculators)
- Educational computer hardware and software
- Tutoring K-12 curriculum by a qualified instructor
