Re: Authorizing the purchase and installation of the boardroom communication and broadcast systems upgrade

In preparation for the boardroom communication and broadcast systems upgrade, we have reviewed and evaluated four solutions. We have selected Ford AV to implement this project based on completeness of the solution and quality of the products and services.

Vendor	Audio	Video Presentation	Streaming	Cameras	Control System	Misc.	Lighting	Professional Services	Freight	Total
Ford AV ¹	\$8,441.19	\$27,590.10	N	Y	\$3,329.20	\$5,751.05	\$11,372.00	\$31,585.84	N	\$90,764.05
Texadia ²	\$5,110.00	\$51,652.80	Y	Y	\$2,750.00	\$4,844.76	N	\$18,383.45	\$1,287.26	\$84,028.27
Data Projections ³	\$5,124.50	\$42,888.31	Y	Y	\$7,246.25	\$4,166.67	N	\$14,813.75	\$2,080.05	\$76,319.53
Master AV ⁴	Y	Y	Y	Y	Y	Y	N	Y	Y	\$34,916.00

1 - Uses the existing Swag-It system for streaming. Includes programmable microphones, H.264 recorder and HDBaseT distribution Amp.

2 - 4k camera, No lighting

3 - No lighting

4 - No broadcast system, no lighting

Recommendation:

The Board of Trustees authorize and approve the purchase and installation of the boardroom communication and broadcast systems upgrade by Ford AV Inc. as presented.
