

## Board of Education

---

### ACTION

**TITLE:** School Choice Staffing Capacity Resolution for  
January 1- June 1, 2026 School Choice Cycle

**DATE:** December 15, 2025

**RESPONSIBLE ADMINISTRATOR:** Dr. Michael Farrell  
Executive Director of Student Services

### BACKGROUND/CONSIDERATIONS:

The Board will annually adopt a resolution containing the capacity standards based upon staffing for the District. The resolution will contain the acceptance determination criteria identified by academic program, class, grade level, and individual school. The school is not obligated to add any teachers, other staff, or classrooms to accommodate choice applications. The District may only deny a Standard School Choice application if the District has a lack of capacity by the District having reached ninety percent (95%) of the maximum student population in a program, class, grade level, or school building authorized by the Standards or other State/Federal law.

The listed individual schools/classes in the resolution have the staffing capacity to accept students applying on Standard School Choice Application from January 1, 2026 – June 1, 2026 based upon October 1, 2025 enrollment numbers.

### RECOMMENDATION:

The administration recommends that the Board move to accept this resolution as written.

If the Board agrees, the motion would read: **Move to accept the School Capacity Resolution for the January 1 – June 1, 2026 School Choice Cycle.**
