A. Old Business

Connecting with our community:

Our School and Community Survey which reaches out to our school families and to those in our surrounding communities is complete. Our goal is to partner with our community and increase the use of our facility and expand activity opportunities for local community members to build positive school-community partnerships to benefit our students, staff, and those in our community.

The survey is on our Williams School website, in our enrollment packets, newsletters, and out to the local Williams community via joslist, Facebook, and at the Williams General Store. We are beginning to collect some responses.

B. New Business

1. Candidate Search: We are asking for new parent site council members this year. Information was sent to parents interested in volunteering in our September newsletter and was announced at our Open House on September 21st.

2. Site Council Goals for 2016-17

- Review and revise Student Handbook and Parent Compact
- Review and revise School Improvement Plan/Mission and Vision

Minutes:

Darrell Erb took the site council into INDISTAR, where we took a look at our mission and vision statement, and two Indicators (DSC 1.3 and 1.2). Our goal is to complete and or revise all indicators in our School Improvement Plan this year.
