7:50 School Admissions and Student Transfers To and From Non-District Schools

Age

To be eligible for admission, a child must be 5 years old on or before September 1 of that school term. A child entering first grade must be 6 years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be 6 years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at 3 years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade

level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion when the penalty was for:

- knowingly possessing in a school building or on school grounds, a weapon as defined in the Gun Free Schools Act;
- knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/10-20.59, amended by P.A. 102-199, requiring districts to appoint a liaison to the Ill. Dept. of Children and Family Services (DCFS).

These liaisons must be licensed under Article 21B of the School Code. 105 ILCS 5/10-20.59, amended by P.A. 102-199, directs how employees are prioritized for liaison appointment. Liaisons are “encouraged to build capacity and infrastructure within their school district to support students in the legal custody of the Department of Children and Family Services.” Schools are required to give DCFS liaisons certain notices, records, and meeting invitations. See 105 ILCS 5/10-20.77, added by P.A. 102-199 (notice and invitation to attend parent-teacher conferences and other meetings); 105 ILCS 5/10-21.8, amended by P.A. 102-199 (copies of correspondence and reports upon request of DCFS); 105 ILCS 5/13B-60.10 (notice and invitation to attend alternative learning opportunities program conference); 105 ILCS 5/14-8.02, amended by P.A. 102-199 (notices related to special education); 105 ILCS 10/, amended by P.A. 102-199 (student records). The law does not specifically require that a district’s DCFS liaison perform these duties; this policy assigns them to the liaison because they logically fit within the responsibilities outlined in 105 ILCS 5/10-20.59.
