\*"I move to create a Special Team Football Coordinator Stipend in the amount of \$3000.00."

### Recommendation for Employing Jackie Lloyd

I recommend employing Jackie Lloyd as the Head Baseball Coach/Assistant Football Coach at Waskom High School. Coach Lloyd has agreed to work half time for Waskom ISD in this capacity. He will work 4 hours a day during the entire school year. He will take full control of the baseball complex from a maintenance status. Waskom ISD will not have to pay any surcharges because he will only be working half time. He will continue to pay his own personal medical insurance. We will offer him the \$20,000 term life insurance policy that we have on every employee. He will receive 7.5 sick days per year. Waskom ISD will pay him \$25,000.00 per year. We will pay his \$25,000.00 salary over the 12 month budget cycle. He will be on a one year probationary half time 11 month contract. He would begin his employment with Waskom ISD on August 1, 2016.
