Re: Trimester 2 Board Briefing
Date: June 8, 2012

It is amazing that June is here and students are completing their last assignment, teachers are finishing the books they are reading aloud to the class, and I am taking time to reflect on the wonderful accomplishments we have done this trimester.

Here are a few of my favorite aspects of 3rd trimester at Manzanita. Enjoy! ☺

Top 12 events at Manzanita during 3rd Trimester!

School Carnival and Auction that raised over \$11,000 to support our music program!

Students extended their classroom learning by visiting locations such as Wildlife Safari, Crater Rock Museum, Sunny Valley Interpretive Center, and Hiking at Table Rock!!

PBIS reward assemblies for students who were Safe, Responsible, Respectful!!

Teachers spent valuable time 'unwrapping' the new Common Core Math Standards in preparation for next year's lessons

Family Math Night and Spring Book Fair – over \$1,500 worth of books was donated to the school library and families had fun solving math problems with their children

Kindergarten and 1st grade students sang their hearts out during the evening concert in May

Kindergarten Round Up where over 38 students signed up to attend Manzanita in the fall!

School Wide Writing Assessment – all students at Manzanita completed a writing sample that was scored by their teacher. Mrs. Durrant read each student's paper too!

Over 60 community members plan to help beautify the campus on June 16th as part of Serve Grants Pass!

eScrip donations helped purchase over \$400 worth of PE equipment for teachers and students to use next school year!

Students from Manzanita donated canned food to the local food bank to help out those in need!

Students in grades 3,4,5 worked very hard to complete their statewide assessments in math, science, and reading. Way to Go!
