Superintendent Goal 1:

The superintendent will ensure all staff has the necessary instructional tools, to include a viable research-based curriculum with aligned staff development to increase the success of all student, specifically our at-risk and special education student, on state required assessment and in closing the identified achievement gaps.

- Kev Performance Indicators
 - Improved STAAR scores, closing of the academic gaps and improved scores in special populations- accountability rating of A
 - Use of Early Reading Inventories and Other Assessments to effectively plan for intervention (intervention plans documented) Implement a Professional Development to meet district needs (utilize the advisory committee)

 - Purchases instructional resources, curriculum and trainings for effective implementation. (Curriculum/Resources)

 - Close the success gap amongst student groups
 Increase success in CCMR (college/career/military readiness) to include TSI, SAT/ACT and industry-based certifications
 - Use of District Advisory Committee for feedback

Update

Preliminary STAAR results (22 areas of subject/grade level testing): 22/23: 5 areas showed gains and 23/24 – 13 subject/grade level areas showed improvement

CTE: new courses offered: Intro. to Ed Careers & Accounting 1 (23/24); 24/25 – level 2 courses for the new pathways have been added and allow for certification: Human Growth and Development and Accounting 2

Professional Development Plan focused on staff needs and effective instructional delivery and curriculum implementation Utilizing our staff to attend training and then come back and turn around training (TEKS resource, Lead4Wark, implementing Planning Protocol)

Summer ACE – provided interventions to 105 students; it was offered for 25 days to meet intervention needs of our students; ACE program has started strong for the FALL of 2024
