TO: Board of Education  
FROM: Al Roberts, Superintendent  
SUBJECT: Crossing Guard Intergovernmental Agreement  
DATE: July 26, 2011

We received the intergovernmental agreement from the Village. In reviewing the document, it was noted that it had been modified and a few items were eliminated. We have been in contact with the village's legal counsel and the document is being revised. If we receive the revised agreement prior to the Board meeting, it will be forwarded to the Board and we will seek approval during the meeting. If however, the agreement is not received in a timely manner, we will need to table this item until the August 21 meeting.
