☒ **Goal 3\*:** The percentage of graduates that meet the criteria for CCMR will increase from 72% to 88% by August 2024 and increase to 95% by 2028. **(HB3 Required Goal)**

**D. Summary:**

The annual School Health Advisory report is intended to showcase the impactful initiatives and progress made in promoting health and well-being within the district that foster a supportive and healthy environment for students and staff.

**Background  
Information:**

Senate Bill 1, 74th Legislature, Regular Session, 1995, amended Chapter 28 of the Texas Education Code (TEC) by adding Section 28.004. This section

---

requires the establishment of a local school health education advisory council (SHAC). A SHAC is a volunteer advisory council to the school district Board of Trustees. A SHAC is composed of majority parents, community leaders, school personnel, and other representatives, as needed. Under TEC Section 28.004, the SHAC's duties include recommending policies, procedures, curriculum, and strategies for health education appropriate for specific grade levels. SHACs can provide invaluable advice to the district on methods to advance student academic performance by promoting, practicing, and coordinating school health education and services. SHAC contributions to coordinated school health programming can lead to a greater positive impact on student health and learning.

---

**E. Comments Received:**

☒ LT

☒ DEIC

☒ Other
