2:265 Title IX Grievance Procedure

Discrimination on the basis of sex, including sex-based harassment, affects a student's ability to learn and an employee's ability to work. [PRESSPlus1](#) Providing an educational and workplace environment free from discrimination on the basis of sex is an important District goal.

The District does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106), including against applicants for employment, students, parents/guardians, employees, and third parties. [PRESSPlus2](#)

Title IX Sex Discrimination Prohibited

Sex discrimination as defined in Title IX (Title IX Sex Discrimination) is prohibited. A District employee, agent, or student violates this prohibition whenever that person engages in conduct on the basis of sex that causes another person to be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any education program or activity operated by the District. Title IX Sex Discrimination includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and/or gender identity.

Sex-based harassment is a form of Title IX Sex Discrimination. Sex-based harassment occurs whenever a person engages in conduct on the basis of sex that satisfies one or more of the following:

1. A District employee, agent, or other person authorized by the District to provide an aid, benefit, or service under the District's education program or activity explicitly or impliedly conditions the provision of an aid, benefit, or service on a person's participation in unwelcome sexual conduct; or
2. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the District's education program or activity; or
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 34 C.F.R. §106.2.

Definitions from 34 C.F.R. §106.2 [PRESSPlus3](#)

Complainant means: (1) a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination; or (2) a person other than a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination and who was participating or attempting to participate in the District's education program or activity at the time of the alleged Title IX Sex Discrimination. [PRESSPlus4](#)

Complaint means an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged discrimination under Title IX.

Respondent means a person who is alleged to have violated the District's prohibition on Title IX Sex Discrimination.

Retaliation means intimidation, threats, coercion, or discrimination against any person by the District, a student, or an employee or other person authorized by the District to provide aid, benefit, or service under the District's education program or activity, for the purpose of interfering with any right or privilege secured by Title IX or its regulations, or because the person has reported information, made a Complaint, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX regulations.

Making a Report

A person who wishes to make a report under this policy may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, [PRESSPlus5](#) a Complaint Manager, or any employee with whom the person is comfortable speaking.

School employees who receive information about conduct that reasonably may constitute Sex Discrimination under this policy shall promptly forward the report or information to the Title IX Coordinator. An employee who fails to promptly make or forward a report or information may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator. [PRESSPlus6](#)

Processing and Reviewing a Report or Complaint

Upon receipt of a report of conduct that reasonably may constitute Title IX Sex Discrimination, the Title IX Coordinator and/or designee shall offer and coordinate supportive measures, as appropriate, for a Complainant.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:10, *Equal Employment Opportunity and Minority Recruitment*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:10, *Equal Educational Opportunities*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action under those policies.

Reports of alleged Title IX Sex Discrimination will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of Title IX Sex Discrimination.

Title IX Complaint Grievance Process

The Superintendent or designee shall implement procedures to ensure the prompt and equitable resolution of all Complaints according to a grievance process that fully complies with 34 C.F.R. §106.45. See the District's Title IX Complaint Grievance Process (Grievance Process) under administrative procedure 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

When a Complaint is filed, the Title IX Coordinator will investigate it and make a determination regarding the outcome of the Complaint, or appoint a qualified person(s) to undertake the investigation and make a determination regarding the outcome of the Complaint.

Enforcement

Any District employee who is determined, at the conclusion of the Grievance Process, to have engaged in Title IX Sex Discrimination will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the Grievance Process, to have engaged in Title IX Sex Discrimination will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, at the conclusion of the Grievance Process, to have engaged in Title IX Sex Discrimination will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding Title IX Sex Discrimination will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation, including peer retaliation, in its education program or activity. Any person should report claims of retaliation using this Board policy 2:265, *Title IX Grievance Procedure*.

A student, employee, or other person authorized by the District to provide aid, benefit, or service under the District's education program or activity who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

PRESSPlus Comments

PRESSPlus 1. Title IX of the Education Amendments of 1972 (Title IX) (20 U.S.C. §1681 et seq.) requires this subject matter to be covered by policy and controls this policy's content.

The U.S. Dept. of Education released final regulations implementing Title IX of the Education Amendments of 1972 (Title IX), effective 8-1-24. Compared to the previous Title IX regulations, the new 2024 Title IX regulations:

- Expand the breadth of Title IX grievance procedures to require that they be used to address all Title IX sex discrimination complaints, not just complaints of sexual harassment.
- Clarify that the scope of Title IX sex discrimination includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and/or gender identity.
- Allow districts the flexibility to use a single investigator/decisionmaker template, so that the same individual who investigates a Title IX complaint may also make a decision regarding the complaint.

See Issue 116 Update Memo and the footnote information in Rewritten PRESS sample policy 2:265, *Title IX Grievance Procedure*, available at PRESS Online by logging in at www.iasb.com, for more information. **Issue 116, August 2024**

PRESSPlus 2. A district must prominently display its Title IX notice of nondiscrimination on its website and in each handbook, catalog, announcement, bulletin, and application form made available to students, applicants for employment, parents/guardians, employees, and collective bargaining units. 34 C.F.R. §106.8(c)(2)(i). The notice must state that nondiscrimination extends to any program or activity operated by the district, including employment; that inquiries about the application of Title IX and its regulations may be referred to the district's Title IX Coordinator, to the U.S. Dept. of Education's Office for Civil Rights, or both; the name or title, office address, email address, and telephone number of the district's Title IX Coordinator; how to locate the district's nondiscrimination policy and grievance procedures; how to report information about conduct that may constitute sex discrimination under Title IX; and how to make a complaint of sex discrimination. 34 C.F.R. §106.8(c)(1)(i). See the Notice of Nondiscrimination subhead of sample administrative procedure 2:265-AP1, *Title IX Response*, for a sample notice of nondiscrimination and nondiscrimination statement meeting the minimum requirements of Title IX regulations. The sample administrative procedure is available at PRESS Online by logging in at www.iasb.com. **Issue 116, August 2024**

PRESSPlus 3. If the district uses sample exhibit 2:265-E, *Title IX Glossary of Terms*, or a similar document, the definitions of these terms within it should match the definitions used in this policy. Sample exhibit 2:265-E is available at PRESS Online by logging in at www.iasb.com. **Issue 116, August 2024**

PRESSPlus 4. The 2024 Title IX regulations shift the focus of the analysis from "whether the participation or attempted participation occurred at the time the complaint was filed" (as required under the 2020 Title IX regulations) to "the time of the alleged sex discrimination." 89 Fed. Reg.

Issue 116, August 2024

PRESSPlus 6. Title IX regulations require districts to designate and authorize at least one employee to coordinate its efforts to comply with Title IX and to refer to that employee as the *Title IX Coordinator*. 34 C.F.R. §106.8(a). If a district has more than one Title IX Coordinator, it must designate one of its Title IX Coordinators to retain ultimate oversight to ensure the district's consistent compliance with its responsibilities under Title IX and its implementing regulations. 34 C.F.R. §106.8(a)(1). The Title IX Coordinator with ultimate oversight should be listed in this policy.

Consistent with how Nondiscrimination Coordinators and Complaint Managers are listed in PRESS sample policies, this policy requires the Title IX Coordinator's name, office address, email address, and telephone number to be listed. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

A district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator. See policy 2:260, *Uniform Grievance Procedure*.

IASB will insert the Title IX Coordinator listed in the board's adopted policy 2:260 into policy 2:265. Ensure that the name and contact information listed in policy 2:260, *Uniform Grievance Procedure*, is correct. **Issue 116, August 2024**

2:105 Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and Board of Education members:

1. No employee shall intentionally perform any "political activity" during any "compensated time," as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity. [PRESSPlus1](#)
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any "gift" from any "prohibited source," as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss [District](#) [PRESSPlus2](#) business.
6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece,

husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.

7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.
8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered" means food or refreshments that are purchased ready to consume which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee from an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Superintendent or Board President shall, after consulting with the Board attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood

or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

"Gift" means any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or intangible item having monetary value including but not limited to, cash, food and drink, and honoraria for speaking engagements related to or attributable to government employment or the official position of a Board member or employee.

Complaints of Sexual Harassment Made Against Board Members by Elected Officials

Pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/70-5), members of the Board and other elected officials are encouraged to promptly report claims of sexual harassment by a Board member. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available. If the official feels comfortable doing so, he or she should directly inform the individual that the individual's conduct or communication is offensive and must stop.

Board members and elected officials should report claims of sexual harassment against a member of the Board to the Board President or Superintendent. If the report is made to the Superintendent, the Superintendent shall promptly notify the President, or if the President is the subject of the complaint, the Vice President. Reports of sexual harassment will be confidential to the greatest extent practicable.

When a complaint of sexual harassment is made against a member of the Board by another Board member or other elected official, the Board President shall appoint a qualified outside investigator who is not a District employee or Board member to conduct an independent review of the allegations. If the allegations concern the President, or the President is a witness or otherwise conflicted, the Vice President shall make the appointment. If the allegations concern both the President and Vice President, and/or they are witnesses or otherwise conflicted, the Board Secretary shall make the appointment. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Superintendent will post this policy on the District website and/or make this policy available in the District's administrative office.

PRESSPlus Comments

PRESSPlus 1. The term *use* in Item #2 is based on the Ill. Attorney General's model ordinance; it is arguably broader than the State Officials and Employees Ethics Act (SOEEA), which prohibits board members and district employees from intentionally *misappropriating* district property in connection with prohibited political activities. 5 ILCS 430/5-15(a)-(b). Some attorneys advise that a board member's mere presence on district property while engaging in a political activity on their own time (such as circulating an election petition at a school athletic event) is not a misappropriation of district property, and therefore does not violate the SOEEA. Consider that the term *use* may be easier to practically apply as a standard. Consult the board attorney for guidance on this issue. If the board wants Item #2 to match the SOEEA standard, substitute "misappropriate" in place of "use," and select the Save Status "Adopted with Additional District Edits." **Issue 117, October 2024**

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian

complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint ~~according to~~ under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee ^{PRESSPlus2} shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, ^{PRESSPlus3} should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. ~~If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any~~

~~investigatory meetings in which their child is involved.~~ [PRESSPlus4](#) The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years or age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent. The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manger's report, the Superintendent shall provide his or her written decision to the Complainant and the accused ~~by registered mail, return receipt requested, and/or personal delivery~~ [PRESSPlus5](#) as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board of Education by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board of Education.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail provide its written decision to the Complainant and the accused, ~~by registered mail, return receipt requested, and/or personal delivery~~ as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers [PRESSPlus6](#)

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer the this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

PRESSPlus Comments

PRESSPlus 1. Updated in response to final regulations implementing Title IX of the Education Amendments of 1972 (Title IX), requiring all Title IX sex discrimination complaints to be processed using policy 2:265, *Title IX Grievance Procedure*. **Issue 116, August 2024**

PRESSPlus 2. "Title IX Coordinator or designee" is used where Title IX is implicated. In contrast, if Title IX is not implicated, "Nondiscrimination Coordinator or a Complaint Manager or designee" is used (see the last paragraph under the Filing a Complaint subhead). **Issue 116, August 2024**

PRESSPlus 3. See sample administrative procedure 5:120-AP2, *Employee Conduct Standards*, and its exhibit 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*,

available at PRESS Online by logging in at www.iasb.com. **Issue 116, August 2024**

PRESSPlus 4. This sentence is deleted because it is not legally required and it is not practical for districts to seek parent/guardian attendance at every investigatory meeting involving their child. **Issue 116, August 2024**

PRESSPlus 5. Using a consistent delivery method that allows the district to verify the date of receipt is a best practice, e.g., registered mail, return receipt requested, and/or personal delivery. **Issue 116, August 2024**

PRESSPlus 6. Names and contact information are required by law to be listed, and it is important that they be regularly monitored and updated.

If changes are made to the Nondiscrimination Coordinator, Complaint Manager, and/or Title IX Coordinator information, use the Save Status **Adopted with Additional District Edits**. Best practice is that throughout the board policy manual, the same individual be named as Nondiscrimination Coordinator. The Nondiscrimination and Title IX Coordinator(s) need not be the same person. If the district uses a separate Title IX Coordinator who does not also serve as the Nondiscrimination Coordinator, list the Title IX Coordinator's name and contact information separately. **IASB will use the information provided in policy 2:260 for the Nondiscrimination Coordinator and Title IX Coordinator in policies 5:10, 5:20, 7:20, and 7:180. In addition, IASB will use the Title IX Coordinator information provided in policy 2:260 for policy 2:265.**

Complaint Managers identified in individual policies may vary depending upon local district needs. Ensure that policies 2:260, 5:10, 5:20, 7:20, and 7:180 each contain the correct names and contact information for the district's Complaint Managers.

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last two sworn statements of resources and liabilities or reports of examination, that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination, that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The District ~~shall~~ may [PRESSPlus3](#) consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The District may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977 (CRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the federal Community Reinvestment Act of 1977 CRA;
2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
4. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

The District may not deposit public funds in a financial institution subject to the CRA unless the institution has a current rating of satisfactory or outstanding under the CRA. [PRESSPlus4](#) When investing or depositing public funds, the District may give preference to financial institutions that have a current rating of outstanding under the CRA. [PRESSPlus5](#)

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized by: (1) securities eligible for District investment or any other high-quality, interest-bearing

security rated at least AA/Aa by one or more standard rating services to include Standard & Poor's, Moody's, or Fitch, (2) mortgages, (3) letters of credit issued by a Federal Home Loan Bank, or (4) loans covered by a State Guaranty under the Illinois Farm Development Act. The market value of the pledged securities shall equal or exceed the portion of the deposit requiring collateralization. The Chief Investment Officer shall determine other collateral requirements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The School Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The School Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or
3. Receive, in any manner, compensation of any kind from any investments in that the agency is authorized to invest.

Standards for Purchasing and Contracting

All purchases and contracts shall be entered into in accordance with applicable federal and Illinois law. The Board Attorney shall be consulted as needed regarding the legal requirements for purchases or contracts. All contracts shall be approved or authorized by the Board of Education.

3. A school safety drill plan;
4. Instruction in safe bus riding practices; and
5. A clear, rapid, factual, and coordinated system of internal and external communication.

In the event of an emergency that threatens the safety of any person or property, students and staff are encouraged to follow the best practices discussed for their building regarding the use of any available cellular telephones.

School Safety Drill Plan

During every academic year, each school building that houses school children shall conduct, at a minimum, each of the following in accordance with the School Safety Drill Act (105 ILCS 128/):

2. One bus evacuation drill.
3. One severe weather and shelter-in-place drill to address and prepare students and school personnel for possible tornado incidents.
4. One law enforcement lockdown drill to address a school shooting incident and to evaluate the preparedness of school personnel and students. This drill shall occur no later than 90 days after the first day of school of each year, and shall require the participation of all school personnel and students present at school at the time of the drill, except for those exempted by administrators, school support personnel, or a parent/guardian.

Annual Review

The Board or its designee will annually review each school building's emergency operations and crisis response plan(s), protocols, and procedures, as well as each building's compliance with the school safety drill plan. This annual review shall be in accordance with the School Safety Drill Act (105 ILCS 128/) and the Joint Rules of the Office of the State Fire Marshal and the Ill. State Board of Education (ISBE). ~~29 Ill.Admin.Code Part 1500.~~

1. Determine which school buildings to equip with approved *carbon monoxide alarms* or *carbon monoxide detectors*,
2. Locate the required carbon monoxide alarms or carbon monoxide detectors within 20 feet of a carbon monoxide emitting device, and

5:90 Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall ~~(1)~~ immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), ~~and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office.~~ [PRESSPlus1](#) Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse: Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special Board of Education Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS

5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the Board of Education; Indemnification*.

5:120 Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.

4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in *grooming* as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of

instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

GuidanceSchool Counselor Gift Ban [PRESSPlus1](#)

GuidanceSchool counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For guidance school counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance school counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance school counselor believes that it was provided due to the official position or employment of the guidance school counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance school counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance school counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance school counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the guidance school counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

To fully or partially opt out of career exploration and career development activities under 105 ILCS 5/10-20.84(d), a board must adopt a set of findings that considers the following: (1) the district's current systems for college and career readiness; (2) the district's cost of implementation balanced against the potential benefits to students and families through improved postsecondary education and career outcomes; (3) the willingness and capacity of local businesses to partner with the district for successful implementation of pathways other than education; (4) the willingness of institutions of higher education to partner with the district for successful implementation of the pathway and whether the district has sought and established a partnership agreement with a community college district incorporating provisions of the Model Partnership Agreement under the Dual Credit Quality Act (110 ILCS 27/) (see www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf); (5) the availability of a statewide database of participating local business partners, as provided under the Postsecondary and Workforce Readiness Act (110 ILCS 148/), for the purpose of career readiness and the accessibility of those work experiences and apprenticeships listed in the database to district students (see the link to the Work-based Learning Database at www.isbe.net/cte); and (6) the availability of properly licensed teachers or teachers meeting faculty credential standards for dual credit courses to instruct in the program required for the endorsement areas. 105 ILCS 5/10-20.84(d) (1)-(6), added by P.A. 102-917 and renumbered by P.A. 103-154. A board opting out must report its findings and decision to ISBE. A board may also reverse its decision regarding implementation in whole or in part at any time.

In practice, unless a district has created its own career exploration and career development activities framework that does not align with the PaCE Framework, a board is unlikely to opt out of the PaCE Framework under 105 ILCS 5/10-20.84(a) and still implement College and Career Pathway Endorsements under 105 ILS 5/10-20.84(c) (CCPE) because career exploration activities are a prerequisite to award of the endorsements. 23 Ill.Admin.Code §258.20.

renumbered by P.A. 103-154. Regarding partial opt-out from this requirement, the law does not address the types of partial opt-out(s) available. As of the date of the publication of **PRESS** Issue 117 (October 2024), ISBE had not issued any rulemaking or guidance on this topic or any details regarding reporting of a full or partial opt-out to ISBE, other than to indicate to IASB that districts can submit their decision to CTE@isbe.net. Boards interested in opting out from this requirement should consult the Board attorney and check for any further guidance that may be issued by ISBE. **Issue 117, October 2024**

PRESSPlus 5. 105 ILCS 5/10-20.84(b) and (c), added by P.A. 102-917 and renumbered by P.A. 103-154; 23 Ill.Admin.Code Part 258.

By 7-1-25, a board must elect to either implement CCPE or take action to opt out of it. See www.isbe.net/pathwayendorsements for more information. 105 ILCS 5/10-20.84(c) requires a district to implement CCPE either independently, through an area career center, or through an inter-district cooperative, on the following schedule: (1) at least one endorsement area for the graduating class of 2027; (2) at least two endorsement areas for the graduating class of 2029; and (3) at least three endorsement areas for the graduating class of 2031, if a district's grade 9-12 enrollment is more than 350 students, as calculated by ISBE for the 2022-2023 school year. A board implementing CCPE must, by 7-1-25, submit the necessary application materials (including an Endorsement Plan, see 23 Ill.Admin.Code §258.20) to ISBE, or the board must adopt a timeline for implementation of the number of endorsement areas required by 105 ILCS 5/10-20.84(c). A board may opt out of implementing CCPE entirely or it may initially implement an endorsement area for the class of 2027 and then later choose to partially opt out by opting out of the class of 2029 and/or class of 2031 endorsement area schedule. 105 ILCS 5/10-20.84(c) and (d), added by P.A. 102-917 and renumbered by P.A. 103-154; 23 Ill.Admin.Code §258.40(a) and (b). A board that chooses to fully opt out of CCPE must submit documentation of its decision and specific findings to ISBE by 7-1-25. A board that later chooses to partially opt out of CCPE by opting out of the 2029 and/or 2031 endorsement area schedule must submit documentation of its decision and specific findings no later than July 1 immediately before the school year the district would be required to award the endorsement.

If fully opting out of CCPE by 7-1-25 or later partially opting out of the 2029 and/or 2031 endorsement area schedule, a board must adopt a set of findings that considers the following: (1) the district's current systems for college and career readiness; (2) the district's cost of implementation balanced against the potential benefits to students and families through improved postsecondary education and career outcomes; (3) the willingness and capacity of local businesses to partner with the district for successful implementation of pathways other than education; (4) the willingness of institutions of higher education to partner with the district for successful implementation of the pathway and whether the district has sought and established a partnership agreement with a community college district incorporating provisions of the Model Partnership Agreement under the Dual Credit Quality Act (110 ILCS 27/) (see www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf); (5) the availability of a statewide database of participating local business partners, as provided under the Postsecondary and Workforce Readiness Act (110 ILCS 148/), for the purpose of career readiness and the accessibility of those work experiences and apprenticeships listed in the database to district students (see the link to the Work-based Learning Database at www.isbe.net/cte); and (6) the availability of properly licensed teachers or teachers meeting faculty credential standards for dual credit courses to instruct in the program required for the endorsement areas. 105 ILCS 5/10-20.84(d) (1)-(6), added by P.A. 102-917 and renumbered by P.A. 103-154. A board opting out must report its findings and decision on implementation by submitting the following information to ISBE, via the College and Career Pathway Endorsement portal: (1) the reasoning for opting out, and (2) copies of the board's meeting agenda, board findings, and board meeting minutes. 23 Ill.Admin.Code §258.40(a). A board can manage compliance with the documentation requirements by adopting a

written resolution or adopting findings set forth in another document. A board may also reverse its decision regarding implementation of CCPE in whole or in part at any time.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS

5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grades 6 and 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician that their child was risk-assessed or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza, and influenza vaccinations, meningococcal disease, and meningococcal vaccinations [PRESSPlus1](#) developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by the first day of school of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after the first day of school of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by the first day of school, the student must present, by the first day of school, an

immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by the first day of school may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.

3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

8:10 Connection with the Community

Public Relations

The Board President is the official spokesperson for the Board of Education. The Superintendent is the District's chief spokesperson. The Board, in collaboration with the Superintendent [PRESSPlus1](#) or designee, shall plan and implement a District public relations program that will:

- Develop community understanding of school operation.
- Gather community attitudes and desires for the District.
- ~~Secure~~ Ensure [PRESSPlus2](#) adequate financial support for a sound educational program.
- Help the community feel a more direct responsibility for the quality of education provided by their schools.
- Earn the community's goodwill, respect, and trust ~~confidence~~.
- Promote a genuine spirit of cooperation between the school and the community.
- Keep the news media and community accurately informed.
- ~~Coordinate with the District Safety Coordinator to provide accurate and timely information to the appropriate individuals during an emergency.~~

The public relations program should include:

1. Regular news releases concerning District programs, policies, activities, and special event management for distribution by, for example, posting on the District website, using District social media ~~platforms~~ accounts, [PRESSPlus3](#) e.g., Facebook, Twitter, etc., and/or sending to the news media.
2. News conferences, ~~and~~ interviews, and official Board or District statements, as requested or needed. The Board President and Superintendent will coordinate their respective media relations efforts. As official spokesperson for the Board, [PRESSPlus4](#) the Board President will communicate on behalf of the Board to the news media and community. Statements made by Board members when not authorized by the Board will be considered personal comments of the Board member, and Board members are encouraged to identify such statements as their personal opinions. Official Board or District statements (other than those made directly to the media) will be made through the District website and/or its social media accounts, at official District events, or through other official communication methods, such as District email or mailings. Individuals may speak for the District only with prior approval from the Superintendent. [PRESSPlus5](#)
3. Publications having a high quality of editorial content and effective format. All publications shall identify the District, school, department, or classroom and shall include the name of the Superintendent, the Building Principal, and/or the author and the publication date, and
4. Other efforts that highlight the District's programs and activities.

PRESSPlus Comments

PRESSPlus 1. The board and superintendent should have a conversation regarding which objectives the board, superintendent, or both the board and superintendent together will implement. **Issue 117, October 2024**

PRESSPlus 2. Updated throughout for continuous improvement. **Issue 117, October 2024**

PRESSPlus 3. Updated in response to the U.S. Supreme Court case Lindke v. Freed, 601 U.S. 187 (2024), which held that a government official's speech on social media is attributable to the government if the official: (1) has actual authority to speak on behalf of the government on a particular matter; and (2) purports to exercise that authority when speaking on social media. If an official's speech on social media is attributable to the government, then the official's social media posts will be subject to scrutiny under the First Amendment. Social media accounts of government officials that are clearly labeled as personal (e.g., "This is the personal page of [insert name]") or with a disclaimer (e.g., "the views expressed are strictly my own") are presumed to contain only personal posts, though that presumption can be challenged depending on the particular facts. The Court did not distinguish between elected or appointed government officials and employees, suggesting that the same test would apply to government employees.

Because those who post on a district's social media accounts typically have authority to speak on the district's behalf, such accounts are likely either *limited public forums* (also referred to as *nonpublic forums*) or *public forums*. See, e.g., People for the Ethical Treatment of Animals v. Tabak, 2024 WL 3573661 (D.C. Cir. 2024) (finding the National Institutes of Health's (NIH) social media accounts were limited public forums because use of the accounts was limited to discussion of certain subjects; however, the NIH violated the First Amendment when it filtered out comments based on the plaintiff's viewpoints). Consider that school districts are different than federal government agencies and must ensure other duties to students, e.g., safety and security, which may require excluding certain comments from the district's social media accounts. **Issue 117, October 2024**

PRESSPlus 4. In alignment with the IASB *Foundational Principles of Effective Governance*, the school board president is the board's spokesperson (see sample policy 2:110, *Qualifications, Term, and Duties of Board Officers*) and the superintendent is the district's spokesperson. **Issue 117, October 2024**

PRESSPlus 5. This item aligns with sample policy 2:110, *Qualifications, Term, and Duties of Board Officers*, and the board member oath of office in 105 ILCS 5/10-16.5, which requires board members to swear or affirm that they "shall recognize that a board member has no legal authority as an individual and that decisions can only be made by a majority vote at a public board meeting." Making official statements through the district's website and official social media accounts, rather than through personal or "mixed use" accounts is a best practice and a strategy to mitigate First Amendment liability for board members and employees who communicate through social media platforms. Additionally, it is a best practice for board members or employees with social media accounts to clearly label their personal accounts as personal and limit district-related communications to official district accounts. **Issue 117, October 2024**
