6605 - **CROWDFUNDING**

This policy applies to the use of any form of crowdfunding utilizing an online service or website-based platform for the financial benefit or gain of the District – be it a specific classroom, grade level, department, school, or curricular or extra-curricular activity.

For purposes of this policy “crowdfunding” is defined as the solicitation of resources from individuals and/or organizations to support identified activities or projects that enhance the educational program or a specific cause approved by the District. The solicitation is typically from a large number of individuals/organizations utilizing internet-based technologies.

The Board does not permit or sanction the use of crowdfunding for District or specific school programs or activities, including co-curricular or extra-curricular activities.

No crowdfunding site may use the name, logo, mascot, or any other name which would associate an activity with the District.

All approved crowdfunding activities shall protect the privacy of students, children, and young adults in accordance with Board policies and applicable State and Federal law, including FERPA and IDEIA.

Materials, supplies, equipment, and other proceeds of the crowdfunding activity shall become the property of the District or school. Cash or equivalent payment to District-personnel is prohibited. All fiscal transactions shall comply with appropriate Board policies.

All crowdfunding activities are subject to AG 6605 and other applicable Board policies including, but not limited to, Policy 5830 - Student Fundraising.
