

PROFESSIONAL SERVICES CONTRACT - AMENDMENT 1

PARTIES: ***Aitkin Public Schools***

306 2nd St NW

Aitkin, MN 56431

And,

ICS, Inc.

1331 Tyler Street NE, Suite 101

Minneapolis, MN 55413

Overview. In March of 2024, The School District of Aitkin (“District”) and ICS, Inc. (“ICS”) (collectively, “Parties”) entered into a Professional Services Agreement (“Agreement”) to develop and implement a Facility Plan for the District. A three-phase approach was agreed. Phase I (“PI”) for assessment and development of a Facility Plan. Phase II (“PII”) for referendum planning services **if** the Facility Plan approved in Phase I required a public referendum. Phase III (“PIII”) is for implementation of the Plan.

Per our agreement PHASE II– Public Referendum Services Section 1.5: *“This agreement shall extend to include two public referendum efforts by ICS and the District. If the first effort for a public referendum is not successful – ICS and the District shall negotiate in good faith any further cost of ICS services for the 2nd Referendum effort.”*

ICS proposes the following costs for 2nd Referendum effort:

- **PI Services:** Since ICS has all the assessment information already, ICS agrees to charge **\$0** for fees for development of a new plan. This includes Plan development, MDE submission, assisting with grant and funding requests and school board workshops.
- **PII Services:** The District shall pay ICS a fee of **\$10,000** for PII Services under the Agreement. This includes referendum communication services per the original agreement.

Acceptance

The Parties hereby accept this Amendment to original March 2024 Professional Services Agreement
