**IN THE CLASSROOM:**

1. Crestview Math Teachers used manipulatives, cards, and other materials to celebrate the 100th day of school.

**2. The Third Grade students participated in their annual engineering project known as “The Egg Drop.” Each student was given the problem of how to construct and package a raw egg so that it would survive being thrown approximately 15 to 20 feet to the ground and not crack! Third grade students came up with many ingenious ideas and designs.**

## FIELD TRIPS:

1. On March 29th, first grade students attended a field trip to Casa Manana in Fort Worth to see a live production of the Three Little Pigs. Students had a great time and loved experiencing the performing arts!

## PROFESSIONAL DEVELOPMENT:

1. GISD Administrators attended a site visit to Olney Elementary School to see the Voyager "Read Well" program in action. The visit went well and Olney staff members had great things to say about the program. GISD teachers in Kindergarten through Second Grade will visit OES on April 11th and will get to see the program in action. We are incredibly excited about the potential of implementing this reading program.

## EVENTS

1. February 10th-13th, Crestview held it's annual Sweetheart's Day and Obstacle Course. Parents were provided with free hot dogs and snacks, had a chance to bid on their favorite dessert items, and participated in the Sweetheart's Day Obstacle Course, coordinated by Coach England. Fun times!
