Re: Board Recognition of EPHS Aerospace Scholars
DATE: November 3, 2023

I would like to officially request the recognition of Eagle Pass High School student Demetrio Rodriguez for his nomination into the Texas High School Aerospace Scholars. Highest achieving students receive an invitation to a five-day gamified virtual summer experience, and students work in teams to plan an Artemis-themed mission to the Moon and Mars. Top teams from the virtual summer experience are invited to attend two-day residential experience at NASA'S Johnson Space Center in Houston, Texas. HAS is an authentic learning experience for Texas high school juniors to engage with NASA'S missions and become the next generation of explorers.

Please help me in recognizing Demetrio Rodriguez for his accomplishment in receiving this incredible nomination.
