Areas of Growth/Focus:
- Professional Development is an area to focus on—scores declined & were lower than the state average
  - As a school we are changing our focus of how we deliver PD and the time in which we do it
  - All instructional staff will be involved in trying out different engagement strategies and will discuss with others on what is working and areas to continue to work on
  - We currently use the PD
- Using the TELL survey for school improvement planning
  - Site Council will review the data and use it in planning for future years
