Subject: PreCalculus Recommendation

I would like to request to be placed on the Curriculum Committee agenda for the June 6, 2022, Board of Education Committee of the Whole meeting. I would like to share the textbook committee's recommendation for purchasing *Precalculus with Limits: A Graphing Approach* for \$83,337.19 which includes shipping and handling. This purchase includes student books plus digital access for six years. In addition, they are providing teacher's editions and professional development for free.

Thank you for your consideration of this request.
