TOPIC: Approval to Purchase Playground Equipment for Roosevelt ASD Center Program

#### **RECOMMENDATION:**

Move that the Board of Education of the Livonia Public Schools School District approve the purchase of elementary playground equipment for Roosevelt Elementary ASD Center Program from Kidstuff Playsystems, in care of Kennedy Recreation, Clinton Township, Michigan, in the amount of \$209,700, which includes contingency, and authorize the Superintendent or her designee to negotiate and execute final contracts on behalf of the Board of Education.

## RATIONALE:

This purchase, for Roosevelt's ASD center program, is from our Capital Projects fund to replace older structures that were at end of life and needed to be removed. Pricing comes from the SourceWell purchasing cooperative, which fulfills the district's bid obligation, and includes an additional 3% contingency for any unforeseen issues occurring during installation.
