Bus Schedules:

1. Will be established which will cause pupils to be picked up at a set time
2. Arrive at school before the start of the school day
3. Generally, no earlier than twenty (20) minutes before the first bell

Bus Route Number, Pick-up Time and Approved bus stop location:

1. Will be provided to scheduled riders and their families before school begins
2. Will be provided via email from the school district once the routes are uploaded into Infinite Campus.

Students must be out at the bus stop location:

1. A minimum of five (5) minutes prior to the scheduled pick up time
2. The bus will not wait or return for students

Only Students Assigned On The Route Will Be Allowed To Ride:

1. Space and liability issues do not allow for additional or unauthorized riders
2. A bus student who needs to accompany another bus student to/from home or who needs to use a different bus or bus stop
 - a. Are required to have a note of explanation written by his/her parent/guardian
 - b. This note must be approved by the Principal
 - c. The student will then receive a bus pass for a specific date or time period
3. Students who are not eligible to ride the bus
 - a. Are not allowed to ride with another student even with a parent note
 - b. Exceptions may be granted by the building principal. See above (#2) for the required notes requesting exceptions
4. Students will be picked up and dropped off
 - a. Only at designated stops along the route that are approved by the School District
 - b. It is the parent/guardian's responsibility to instruct his/her child where to get on and off and how to get to and from the bus stop locations
 - c. It is strongly suggested that a parent/guardian or a neighbor wait at the bus stop location to supervise younger students
5. Bus routes
 - a. Will not enter private driveways, cul-de-sacs, dead-end roads and areas that would create an unsafe situation or require the bus to back-up unless specifically authorized
6. Special Education, Early Childhood Student or 4K Student
 - a. Attempts to contact emergency caregivers will be made by Lamers Bus Service and school district personnel
 - b. Drivers will attempt to drop the child off again at the end of the route
 - c. If there is still no one at the stop to receive the child, the Lamers Bus Service will bring the child to the local police and/or contact the appropriate county social services department
 - d. Parents will be responsible to pick up their child

7. Day Care Providers:

- e. Requests for a student to ride a route bus to get on or off at a bus stop near a childcare provider must be in writing on the Request for Alternate Pick Up/Drop Off Online Form. ([_https://waunakeewi.infinitecampus.org](https://waunakeewi.infinitecampus.org))
- f. This form must be submitted to the WCSD before the routes are finalized for the start of the school year
- g. These routes are finalized no later than 2 weeks prior to the start of the school year
- h. Bus routes and pick up/drop off locations will not change during the first two weeks of school
- i. The District will consider requests only if the route bus can accommodate additional riders and if the ridership will be on a consistent basis
- j. For safety reasons, the district can only allow for one consistent pick-up point in the morning and one drop-off point in the afternoon per student. That schedule must be consistent week to week. Students with Two (2) households are each considered one consistent pick-up/drop-off location. Varying schedules will not be allowed, (i.e. one week Mon., Wed., Friday drop-off/pick-up and following week Mon., Tues., Thurs., etc.) except in emergencies as approved by the Executive Director of Operations.
- k. Route buses will not make additional bus stops along the route to accommodate a childcare provider
 - l. Fees apply for alternate transportation
- m. No refunds will be provided after fees have been paid and service has begun
- n. The Waunakee Community School District reserves the right to cancel or revoke the request at any time during the school year

Section II – Bus Conduct Rules

STUDENT RIDERSHIP EXPECTATIONS

The following section explains student behavior expectations while on the bus. The Waunakee Community School District views transportation as part of the school day. Therefore, behavior expectations of the students riding the school bus shall be no less than what is required in the classroom. From a safety standpoint, the fact that students are in a moving vehicle requires rules that are even stricter than those for the classroom. Each bus driver carries the responsibility of ensuring transportation for students and is authorized to enforce all established rules. The Waunakee Community School District reserves the right to modify the following rules, expectations and consequences at any time. In addition, the District authorizes the use of video cameras on school buses to assist with student management issues.

The following includes most, but not all, of the basic Student Expectations.

1. Students may ride only on assigned routes and vehicles. Students should respect private property while waiting at the bus stop and wait only in designated locations. Students should not move toward the bus until it has stopped and the driver has motioned the students to board. Students should always cross the street in front of the bus.
2. Students should avoid crowding or pushing when getting on or off the bus. The use of the emergency door is restricted for emergency evacuations only.
3. Students should take a seat as soon as they board the bus and remain seated at all times until the bus has stopped completely at the destination or bus stop. Students must share seats with other riders. Students may be required to sit three (3) to a seat and/or sit in assigned seats.
4. The district reserves the right to assign seats to students. Students in grades PreK-4th and 5th-12th will be assigned seats according to a seating diagram. (See "Assigned Seating Diagram" on page 11 and 12 of this handbook.)
5. All students are to be seated prior to the bus proceeding on its route. Students should keep arms, legs, head and other objects inside the bus and out of the aisle. Each student must keep arms, hands and legs to him/herself while riding the bus.
6. Students should use quiet and normal voices in conversations with fellow riders. Yelling, screaming or profane language is not acceptable and will not be tolerated. Harassing behavior, disorderly conduct, hazing, or anti-social behavior will not be tolerated. Sexually harassing behavior (obscene language and actions) will not be tolerated.

7. For safety reasons, students are not allowed to carry onto the bus any live reptiles, animals, insects, firearms, explosives, flammable materials, scented items or items that can be sprayed, i.e. breath spray, hair spray, scented markers, etc.; slingshots, rubber band guns, water pistols, knives or other sharp objects, any other unsafe items or oversized items that would block an aisle, cause loss of passenger seat space, obstruct the drivers' view or create a safety hazard. If a student needs to bring such items to school, it shall be the parent's or guardian's responsibility to transport.
8. When getting off the bus, the student should immediately move away from the side and never toward the rear of the bus. If a student must cross the street, s/he must wait for the driver's signal and cross in front of the bus. If a student needs to cross the street in a different area, s/he must wait on the sidewalk until the bus leaves the area and cross at the nearest crosswalk.
9. Students should show respect for all bus drivers, adults assisting students and fellow students riding on the bus.
10. Bus drivers shall be responsible for the orderly conduct of all passengers and will report any behavior problems.
11. Students may not litter. Please help us keep our buses safe and clean.

An example would be an assigned seat in the front of the bus. If the consequence is unsuccessful, Lamers Bus Lines shall report the violations to the school principal and the parent/guardian. The school principal and Lamers Bus Lines will cooperatively determine additional consequences. An example could be a temporary or permanent suspension of rider privileges from the bus.

THE SCHOOL BUS

BUS TRACKING TECHNOLOGY

Lamers Bus Lines utilizes a routing system called Traversa by Tyler Technologies. Tyler Technologies offers a bus tracking app called MyRide K-12. You can learn more about this system here:

[My Ride K-12 Parent App](#)

Parents/Guardians may choose to download the MyRide K-12 app. The app will provide GPS data on the bus route so parents/guardians can be aware of the location and any potential delays of the bus route for their student(s).
