Kaufman ISD is a part of the Teacher Incentive Allotment program. The district will be submitting our information to the Texas Education Agency and Texas Tech University in October.

MOTION LANGUAGE:

BACKGROUND:

During September, all teachers who taught eligible courses will be provided with a scorecard from their principal. This will be done in person; they will not be placed in teacher boxes or by electronic means.

Teachers will have the opportunity to review this information and submit questions. T-TESS scores and student growth scores cannot be changed. The grievance period for each of these has already passed.

This is simply a review to ensure everyone knows what is being submitted on their behalf. If they have questions, a QR code has been provided where Central Office can address any concerns.

These scores are NOT official until accepted by TEA and Texas Tech University.
