

HARASSMENT, INTIMIDATION AND BULLYING

The Board is dedicated to providing a safe and civil learning environment. Harassment, intimidation and bullying disrupt a student's ability to learn and a school's ability to educate. Students and staff are expected to demonstrate positive character traits and values. Conduct and speech must be civil and respectful in order to promote harmonious and courteous relations in the school environment.

(cf. 5137 – Positive School Climate)

Students, staff and volunteers are prohibited from engaging in any form of harassment, intimidation, or bullying while on school property, on school buses, at the bus stop, or at school-sponsored activities or functions. Students who engage in such acts are subject to appropriate disciplinary action, up to and including suspension or expulsion. Staff who engage in acts of harassment, intimidation or bullying are also subject to appropriate disciplinary action up to and including suspension and termination. Volunteers who engage in such acts will be denied the opportunity to volunteer in the future.

To promote an environment free of harassment, intimidation, or bullying, the principal or designee shall take appropriate actions such as removing vulgar or offending graffiti, establishing site rules, and providing staff in-service or student instruction and counseling. Teachers shall discuss this policy with their students in age appropriate ways and assure students that they need not endure any form of harassment, intimidation, or bullying. **The district will provide parent and community information, and age-appropriate student instruction on how to identify, respond to, and prevent harassment, intimidation, and bullying.**
