

Grant Priority meeting

In attendance: Cody Beus, Angelica Brown, Mark Gunkel, Julie Vasquez, Lisa Cates, Alan Schwab, Bud Willard, Teri Willard, Chad Dillman, Lauren Burch, Janet Stout, Priscilla Goulding

This list will be reviewed by the admin team to set priorities and decide which are important to do using general fund \$\$\$. Priscilla explained that some grants teachers can apply for such as Donors Choose and the AK Arts Council grants. It is important that all grants come through Priscilla so that we are not applying for the same things in 2 places and that there is an overall big picture.

Priscilla called on people around the room and on the VTC to state their priorities for projects that are outside the realm of our core mission to provide a well-rounded education for K-12.
