Re: North Creek Board Report
Date: October 20th, 2025

Dear Chelsea Board of Education,

I am pleased to share with you some exciting updates at North Creek Elementary. Our commitment to embedding the Chelsea Schools Portrait of a Graduate (POG) into daily instruction continues to grow each week. This trimester, our focus has been on the *Emotional* branch of being a “bucket filler,” with a bi-weekly emphasis on Empathy and Confidence. The hallways are quickly filling with Bucket Filler magnets, a visual reminder of our students’ kindness and positive choices.

I would also like to recognize our Literacy Team—Mrs. Rhodes, Mrs. Gabrielson, and Mrs. Kaemming—who have provided leadership as we implement Collaborative Classroom, our new reading and writing curriculum. They have worked to organize, facilitate, and support this transition while also creating targeted PD and reading intervention groups using multiple data points and teacher input. Their efforts are directly impacting student learning and each classroom.

We’ve also had two community events this month. Homecoming Week was celebrated with spirit days and capped off by a visit from the CHS football team, cheer squad, and band during our community meeting—an experience our young students won’t soon forget. In addition, our PTO hosted the Bulldog Jog, where students, staff, and families joined together for stretching, jogging or walking, and even a playful game of *Red Light, Green Light*. It was a true celebration of school spirit and partnership.

Thank you for your continued support and for partnering with us to ensure the success of our students and our school community.

Sincerely,
Casey Wescott
Principal, North Creek Elementary
