Renewal of Local Option Serial Levy for Five Years

DRAFT

Question 20 words

Shall Morrow County School District renew the existing serial levy at \$1/\$100,000 assessed value for 5 years beginning in 2012-13 for school operations and programs

Summary 175 words

This measure authorizes the district to levy a property tax in the amount of \$560,000 each year for five years beginning with the fiscal year of 2012-13. The funding would offset declining revenues from state funding.

The school district will use the funds received to pay for expenses related to educational programs such as to buy materials and textbooks, to maintain the current level of programs **with associated staff**, and to maintain class sizes at levels considered appropriate for proper education.

The estimated tax impact of this measure **would remain the same as the last levy**, which is an average of \$1.00 per thousand dollars of assessed value. It is important to note that a typical home market valued at \$100,000 would have an assessed value of \$70,000 in Morrow County. For example, it is estimated that if the measure passes, the owner of a \$100,000 home would pay approximately \$70 per year for five years only. The estimated tax costs for this measure is an ESTIMATE ONLY based upon the best information available from the county assessor at the time of the estimate.
