

Course Offerings 2012-2013

Updated February 4, 2013

Welcome to Oregon Virtual Education! ORVED uses a variety of online providers to offer a complete suite of courses for middle and high school students. All courses are worth 0.5 credits per semester. Most courses have a Semester 1 and Semester 2 option. Prices are **\$295** per half-credit course.

All course offerings are dependent on current staffing levels. Some classes (indicated by an asterisk, *) are offered on a demand-basis and may not be available continually. In addition to the courses listed below, we may be able to offer **college courses**. Please contact us for more information.
