June 10, 2019

Subject:

PPD/QComp Annual Report

Presenters:

**Pam Miller, Director of
Teaching & Learning and
Jason Karn, PPD Coordinator**

SUGGESTED SCHOOL BOARD ACTION:

Report only. No action required.

DESCRIPTION:

One requirement of the state's QComp program is to complete an annual evaluation of the local program and to report those findings to MDE. The BHM Program for Professional Development (PPD) Advisory Committee provided guidance to Jason Karn, PPD Coordinator, along with the PPD Coaches to complete a program evaluation this spring.

Once reviewed by the school board, the annual report will be submitted to MDE. There is no requirement for board approval.
