RE:Community Schools Update

Happenings...

In an effort to help the community, Community Schools participates in several events and works with other groups, organizations, and businesses. Community Schools has helped with registrations for Little League and Softball. We have helped with the annual Easter Egg Hunt and are in the process of helping with the Cinco de Mayo celebration with AJC. We helped obtain supplies for the Rotary Track Meet. We are currently preparing the pools for the summer including conducting Lifeguard trainings to staff the pools. We are also scheduling and preparing the venues for the upcoming graduations, promotions, and baccalaureate. Other April events included an auditorium rental for an MMA event, a dodge ball tournament to benefit SMHS Wrestling, a Dance Recital for the Community Schools Performing Arts group, 3rd quarter Jr High Awards assembly, met with the Kearny School Board to discuss implementing a Community Schools Program there. Community Schools helped plan the teachers in service date with Mary Kyle. Community Schools co-sponsored a Hunting Safety class presented by Arizona Game and Fish. We also had the first ever "Open Mic Night" in the auditorium.

If you have any questions, or need additional information, please do not hesitate to let me know.

Thank you,

Larry Ramirez
Community Schools Director
