

# Action Sheet

**MEETING DATE:** March 25, 2020

**AGENDA ITEM:** Discuss and consider approval of the Instructional Materials Allotment and TEKS Certification for the 2020-2021 school year.

Texas Education Agency requires annually that the District Superintendent, along with the Board President and Secretary, certify that the Instructional Materials Allotment will be utilized to purchase materials that cover 100% of the state approved TEKS in grades K-12. Additionally, this certification verifies that the district will utilize these funds for only allowable expenses that will help the district in satisfying performance standards. The district is also required to provide publication information for these purchases. Attached is the 2020-2021 certification form for review and approval

**RECOMMENDATION:** I move that the Board approve and certify the Instructional Materials Allotment and TEKS Certification for 2020-2021.
