

**Pupil Services/Special Education
Board Report
September 2022**

○

What we've been doing:

[2022-2023 Pupil Services Scorecard](#)

Teaching and Learning

- **Academic Testing Training**
 - School Psychologist and all special education teachers
- Planning with Teaching and Learning and CESA 9 for continuous improvement days for all building levels

Whole Child

- **Nursing**
 - Individual teacher training and review of student health plans
- **PBIS**
 - Building teams working with staff and students to teach expectations
- **Behavioral Support/Planning**
 - CESA consultant
 - Provided training with elementary staff on strategies
 - Met with grade level teams and individual teachers to proactively problem solve supports for students

What is coming up:

Teaching and Learning

- Working on plan for progress monitoring and regular data review

Whole Child

- Data collection procedures and forms for consistency
- On September 14 Mrs. Simonis will be presenting on a panel with three other Directors of Pupil Services at the New Leaders Academy for new directors presented by the

Department of Public Instruction (DPI) and Wisconsin Council of Administrators of
Special Services (WCASS)
