

## Personnel Resignations and Recommendations

*For Thursday, August 27, 2024*

### **Background:**

Under Iowa Code 279.12, the school board has the authority to employ teachers, other licensed professional personnel, and support personnel, and determine their salaries. I am requesting board approval for the personnel issues listed below. I recommend the Board . . .

- Assign Callie Stein as 7-12 Student Council representative.
- Assign Libia Cano Rodriguez as a para-educator in Jacobson Elementary.
- Assign Natalia Gutierrez as a para-educator in Jacobson Elementary.

### **Recommended Action:**

I recommend the board approve these personnel issues in a single motion.
