MINIDOKA COUNTY SCHOOLS
DISTRICT OFFICE

Dear School District Board Members and Administrator;

The Minidoka County Fire District Commissioners would like to express an interest in the South Heyburn School site. If this property could become available to us, it could possibly save us and the taxpayers a considerable amount of money in the construction of a new fire station and training facility. If this could be a topic of discussion at your next board meeting, myself and board members would be glad to attend and enter into some discussion. Please let me know and we will make plans to attend.

Thank you.

Sincerely,

Mike Brown
Fire Chief
