A Message from Mr. Regal

Three Rivers
School District

Volume 1, Issue 7

May 1, 2013

Hello Evergreen families and friends,

We are in the home stretch before the last day of school on June 7th, but we still have just under 30 days left of instructional time for our students to grow academically, behaviorally, and socially before they move up to the next grade. These last days before summer are crucial for our students to wrap up the school year on a positive note. The teachers are continuing to provide quality instruction and engaging lessons for all of our students. I am asking parents to please make sure that their children are here on time in the morning at 7:35 a.m. and that their regular attendance continues to be a priority. Every minute counts in the classroom!!! Thanks for your continued support in making Evergreen an amazing place to work, learn, and visit.....

I would also like to commend all visitors for checking in at our office and receiving a visitor's badge before being on our school grounds during the hours of 7am-3pm. Thanks for honoring our visitor's policy at Evergreen Elementary. Also, please make sure that when you are dropping off or picking up children at school that we are respecting the designated speed limit (5 M.P.H.) in our parking lots. We have many activities going on throughout the day and want to make sure our students are safe on our campus at all times. We appreciate your support in these matters.

Jog-a-thon is coming up on May 16th and we are continuing to raise money for the student body fund, which supports individual classrooms, field trips, school wide assemblies, and future projects involving the playground area. Every cent counts to help provide the students with positive and memorable experiences during their time at Evergreen.

Have a Marvelous May,

David Regal

P.S. The wonderful picture to the right is me surrounded by the "BEST" office staff (Billie Patton, Erica Lundberg, and Molly Kitchens) in the Three Rivers School District. They are amazing at everything they do for the Evergreen Community!!!!!!!!!!!!

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
