

Consideration to approve the purchase and customization of a new semi-trailer for the THS Band to replace the trailer that was totaled in the storm of May 2024.

Temple ISD solicited quotes from 2 companies that specialize in custom trailers for bands. Both companies are part of purchasing cooperatives. Stadium Creations offered the best value for the district and are part of the Buy Board Purchasing Cooperative. Stadium Creations will source the trailer and then customize to meet the needs of the THS Marching band. The estimated cost from Stadium Creations is \$133,500.

The THS Band Boosters have been raising funds to help offset some of the costs of this customization.

**Recommendation:** Approve purchase with Stadium Creations for a total of \$133,500.
