

ADDENDUM

This addendum modifies the standard terms and conditions of the agreement between Instructure, Inc. (“Instructure”) and Mid-Valley Special Education Cooperative (“Customer”) entered into on or about _____, 2018. The parties agree to the following additions to the aforementioned agreement:

1. At the end of paragraph 11 of the standard terms and conditions of the agreement, add the following:

Instructure acknowledges and understands that some of Customer’s information and/or data used in connection with the agreement constitutes a “student record” under Illinois law (Illinois School Student Records Act) and federal law (Family Educational Rights and Privacy Act – FERPA). Instructure agrees that any information that constitutes a “student record” shall not be disclosed or otherwise made available to any third party unless such disclosure is authorized by or made pursuant to applicable law.

2. At the end of paragraph 14 of the standard terms and conditions of the agreement, add the following:

Notwithstanding the above, in no event shall any such suspension of service prohibit Customer from accessing student-related information necessary for Customer to provide services to its students. Instructure agrees to work cooperatively with Customer during any such suspension to ensure that Customer may access information necessary to continue to provide student services without disruption.
