Re: Coppel High School Marching Band Tower

As discussed in detail at the May 9, 2019 Board workshop, we are recommending approval of a marching band tower to be installed beside the stadium band practice area parking lot at Coppel High School.

The Request for Quotation purchasing method utilizing our purchasing cooperatives as provided in the Texas Education Code 44.031 was used to obtain proposals to ensure the best pricing and value. Educational Steel Products, LLC provided the quote that is the best value for the district.

RECOMMENDATION: That the Coppel ISD Board of Trustees approve Educational Steel Products, LLC as the vendor to supply and install the marching band tower at Coppel High School at a total cost of \$46,100.
